Club Car Show—MARK YOUR CALENDAR!! August 13, 2011 The Club will be hosting its first ever car show to be held in the parking lot of the Holiday Inn located on Jonathan Moore Pike in Columbus. The plans are coming together fast for this event. We need everyone's help to make this car show a success. Registration is from 8-noon. Judging is from 10-1 and awards will be given away at 3pm. We are going to have fun, food and prizes for all participants in the show. Come out and enjoy the day with fellow club members.

Somerset Kentucky Cruise In—the fourth weekend in August is designated Mustang Month in association with the Somerset Cruise-Ins. Several people from the club attended last year and will be attending once again this year. A group of members will be leaving on Friday, August 26th at 9am and heading to Somerset. Everyone who attended last year had a great time. There is a meet and greet car show on Friday night and then the town blocks off the streets in downtown Somerset and place the Mustangs on one side of the downtown area and all other non-Mustangs are placed on the other side of the downtown area. Then everyone either cruises the strip at night or brings out their friends, families and lawn chairs and gets them a place along the strip to watch the cars cruise until the late hours of Saturday night. Make sure to mark your calendars to attend this event.

Strawberries-and-Cream Tart

Ingredients

For the Crust:

- 2 tablespoons vegetable oil
- 1 large egg plus 1 egg yolk
- 2 tablespoons cold whole milk
- 1 teaspoon apple cider vinegar
- 1 1/4 cups all-purpose flour
- 1/8 teaspoon baking powder
- 3 tablespoons granulated sugar
- 1/2 teaspoon salt
- 6 tablespoons cold unsalted butter, cut into 1/4-inch cubes
-

For the Filling:

- 1 teaspoon unflavored gelatin
- 1/4 cup granulated sugar
- 1 vanilla bean, split lengthwise and seeds scraped out
- 1 1/4 cups cold light cream
- 1 quart strawberries, hulled and cut into 1/2-inch pieces
- Confectioners' sugar, for dusting

Directions

Make the crust: Whisk the vegetable oil, egg yolk, milk and vinegar in a bowl. Pulse the flour, baking powder, sugar and salt in a food processor to combine; add the butter and pulse until the mixture looks like coarse meal. Add the milk mixture and pulse once or twice, just to moisten the flour.

Transfer the dough to a 9-inch-round tart pan with a removable bottom and pat onto the bottom and up the sides. Cover with plastic wrap and refrigerate until firm, at least 30 minutes. Trim the edges, if

necessary.

Preheat the oven to 350 degrees F. Pierce the dough all over with a fork. Line with foil and fill with pie weights or dried beans. Place the pan on a baking sheet and bake 15 minutes. Remove the foil and weights; continue to bake until golden, 10 to 15 more minutes. Beat the whole egg with 1 teaspoon water, then lightly brush over the crust and bake 5 more minutes. Cool completely on a rack.

Meanwhile, make the filling: Sprinkle the gelatin over 1 tablespoon cold water in a bowl and let soften 5 minutes. Put the granulated sugar and vanilla seeds in a saucepan and rub the seeds into the sugar with your fingers. Add 1 cup cream and whisk over medium heat to dissolve the sugar. When the mixture comes to a boil, remove from the heat and whisk in the gelatin mixture. Transfer to a bowl, then set in a larger bowl of ice water and stir with a rubber spatula until the mixture begins to thicken. Add the remaining 1/4 cup cream and stir until thick, about 2 minutes. Pour into the tart shell and refrigerate until set, about 1 hour.

Before serving, top the tart with the strawberries and confectioners' sugar.
