Old Business:

-Car Show—Frank reviewed the Car Show Flyer with the club. Frank also announced that Bob Poynter has given The Club \$800.00 for the title sponsorship for the Car Show.

New Business:

-Stickers—Frank announced that all new members receive a club sticker to place on their cars and that our supply of these stickers is running low. Frank said that we could go to the smaller size for the stickers at \$3.00/piece. Frank asked for approval to purchase more stickers and this decision passed with unanimous vote for Frank to purchase 50 stickers.

-Application Flyers—Frank also reported that the application flyer supply is low as well. We have agreed to place advertisement of our sponsors on the club applications. Flyers are .14 cents a piece. Some of the wording will need to be updated, but the graphics will stay the same. Frank made the motion to purchase 100 flyers and Scott Barker seconded the motion.

-Jim O'Neil Ford Car Show—Frank reported that Scott Barker, Tammy Adams, Ed Byers and Frank and Sandy Bayles all attended this event from the club. They had a good turnout in spite of the rain. Scott Barker and Ed Byers won trophies.

-Cars and Guitars Car Show in Seymour—Saturday, June 25th—Frank stated that if you are planning on attending this event that it would be a good idea to pre-register for this. The car show organizers place all the pre-registered cars in one lane and non-pre-registered cars in a separate lane.

Recipe Corner

Caramel Peach Upside-Down Cake

Ingredients

- Softened unsalted butter

-

Caramel peaches:

- 2/3 cup sugar
- 1 tablespoon light corn syrup
- 6 whole allspice berries, optional
- 1 tablespoon water
- 3 large ripe peaches (about 1 pound)

-

Cake:

- 3/4 cup all-purpose flour
- 1/2 cup fine ground white cornmeal
- 1/2 teaspoon baking powder
- 1/4 teaspoon baking soda
- 1/4 teaspoon fine salt
- 1/2 cup unsalted butter (1 stick), at room temperature
- 2/3 cup sugar
- 2 large eggs, at room temperature
- 1/2 cup sour cream, at room temperature
-
- Serving suggestions: Vanilla ice cream or whipped cream

Directions

Position a rack in the middle of the oven and preheat to 350 degrees F. Butter a 9-inch cake pan, line bottom with parchment paper and brush the paper with butter.

Caramel peaches: Combine the sugar, corn syrup, allspice and water in a medium saucepan. Stir over medium heat until the sugar dissolves. Increase the heat to high, and continue to cook, without stirring, until the mixture becomes an amber caramel, about 5 minutes. Pour the caramel into the prepared pan and set aside to cool.

Halve and pit the peaches, but leave their skins on. Cut each half into 3 wedges. Arrange the wedges in concentric circles in the pan. Set aside while you make the cake batter.

Cake: Whisk the flour, grits, baking powder, baking soda, and salt in a medium bowl.

Slowly mix the butter and sugar in a large bowl with a hand-held electric mixer. Increase the speed to high, and continue beating until the butter is light and fluffy, about 5 minutes. Add the eggs 1 at time, waiting for each to be fully incorporated before adding the next.

While mixing at a low speed, add the dry ingredients in 3 additions, alternating with the sour cream in 2 additions, beginning and ending with the flour. Increase the speed to medium and mix briefly to make a smooth batter. Pour the batter over the peaches and smooth over.

Bake the cake until golden brown and a toothpick inserted in the center comes out clean, about 40 to 45 minutes. Cool the cake in the pan on a rack, about 20 minutes.

Run a knife around the edge of the pan to release the cake. Carefully invert the cake onto a serving plate and remove the parchment paper. Serve warm or at room temperature with ice cream or whipped cream, if desired.
